**ATLANTA DESIGNER LAUNCHES SIGNATURE SPA LINE
AND CUSTOM GIFT BAGS**

IT WILL MAKE YOU...BLUSH!

ATLANTA, December 17, 2007 – Quiana “Cordé” Lloyd of Qimono Design Boutique has taken a simple sketch from canvas to life with the creation of the signature spa line *Blush*, featuring *Blush* for women and *Blu* for men. The line will be launching in January 2008 for national distribution.

The luxury spa products included in both *Blush* lines are ideal gifts for men and women with cultivated tastes. *Blush* bags for women range from small (*Pretty in Pink*), medium (*Tips and Toes*), to large (*FaBlush Luxe*). *FaBlush Luxe* bags include items such as the *Pretty in Pink* or cocoa brown cosmetic bags filled with lavish essentials designed especially for the refined woman, including spa slippers, a cocoa brown plush terry cloth robe and other items that are sure to make her blush.

Who says men don’t like to be pampered? Recent trends show more men are indulging in spa services to look and feel better. That’s why distinguished gentlemen can enjoy the *Blu* for men gift bags that also range from small (*The Skyler*), medium (*Aqua Blu*), to large (*Carpe Diem Luxe*). The *Blu* line has “elite” written all over it with cocoa brown shaving bags, plush terry cloth robes and stainless steel shaving kits.

The contents of the gifts bags are satisfying to those who use the products, but the gift bags themselves are also very pleasing. Each gift is delivered in a cocoa brown shopping, wrapped in a cocoa brown box with customized ribbon and paper, and has the signature name embossed in Swarovski crystals!

While the signature spa lines will launch first, *Blush* will soon offer custom (to order) luxe bags for orders of five or more (in increments of 5) for birthday parties, launch parties, bridal showers, anniversaries, grand openings and other celebratory events. Signature *Blush* bags for her and *Blu* bags for him will be sold separately.

To celebrate the official launch, *Blush* signature bags will be offered to the owners and manager of Skin Essence Elite Day Spa of Buckhead (2140 Peachtree Rd., Suite 200 Atlanta, GA 30309) as they host a birthday girl or boy during a taping at the spa of the popular “Sweet Sixteen” on MTV! Blush bags will be sold in select spa boutiques and gift stores, as well as online at www.blush-bags.com. The prices will range from a modest \$75 to \$350.
